Reduction four-fold in price, or nothing, if the user is not delighted with it.—An article that every family must consider indispensable, when they know its power and value, and which has heretofore been sold too high to reach all classes, has now been reduced four-fold in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with it. We assert it without the possibility of contradiction, that all burns and scalds, and all external sores, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes—saving life, limb and scar. No burn can be fatal if this is applied, unless the vitals are destroyed by the accident. It is truly magical, to appearance, in its effects. Enquire for "Connell's magical pain extractor."
